EDUCATION

B.Tech — Computer Science & Engineering (AI) | **DAV University** | *2025 – 2029* | Jalandhar, Punjab

- Specialization in Artificial Intelligence | CGPA : 9.0

EXPERIENCE

AI/ML Intern | **Development Arena** | *10 -06-2026 to 10-07-2026*

- Working on real-world AI and Machine Learning projects under professional mentorship
- Gaining hands-on experience with model building, data preprocessing, and deployment pipelines

GSSoC Contributor | **GirlScript Summer of Code** | *May 2026 - August 2026*

- Contributing to open-source projects as part of India's largest open-source program
- Collaborating with developers across the country on meaningful software solutions

AICTE | IBM SkillsBuild AI Automation & Intelligent Solutions Internship | *June 2026 - July 2026*

- Completed internship focused on AI automation, intelligent systems, and practical AI applications.

Hackathons |

- Adobe University Hackathon
- Odoo Hackathon x LPU — first-round clearance with LPU (till date)
- MOSS Hackathon x PU — First runner-up

PROJECTS

FocusForge AI — focusforge-ai-p928.onrender.com

- Built an AI-powered productivity web app featuring a Pomodoro timer, task management system, and smart tab manager
- Integrated Google's Built-in AI APIs for intelligent task suggestions, content summarization, and adaptive assistance
- Developed with React (Next UI) on the frontend and Chrome Extension APIs for tab and task management
- Architected state management for real-time async operations across multiple interactive components

Fixmate AI -

- Developed an AI-assisted maintenance platform during a hackathon.
- Collaborated in a team using GitHub and implemented frontend features.

StockSense AI - https://stock-sense-sable.vercel.app

SKILLS & TECHNOLOGIES

Languages: C++, C, Python, MySQL

Web & Frameworks: React, Next UI, Chrome Extension APIs

AI / ML: AI Integration (Google APIs), Machine Learning (learning)

Tools & Platforms: Git, GitHub, Render, VS Code

Soft Skills: Leadership, Event Management, Public Speaking, Team Collaboration

LEADERSHIP & ACHIEVEMENTS

- Head Girl — school's highest student leadership role, responsible for representing the student body and leading school events
- District-Level Drawing Competition Winner — recognized for creative excellence at the district level
- Class Representative (CR) — elected student liaison between peers and faculty
- GSA Ambassador — promoting inclusive and student-driven initiatives at the university level
- GSSoC – Contributed on multiple projects enhancing coding and leadership skills
